THE VINTAGE

2020: a round and balanced vintage

LOCATION

The Domaine is situated in the area of the CHATEAUNEUF DU PAPE Appellation.

TERROIR

The terroir is clayey-chalky with large rounded sun-warmed stones, which diffuse a gentle, providential heat that helps the grapes to mature.

IN THE VINEYARD

For 40 years, we cultivate the vineyard with agriculture in an environmental friendly way.

The yield is low : 35 hl/ha.

The grapes are harvested by hand with a selection of the best grapes.

WINEMAKING

The grapes are partial destemmed, slightly crushed and placed in a fermentation concrete tank. Long vatting time at controlled temperature from 25 days, with pumping-over to obtain a reasoned extraction of tannins.

AGEING

Maturing is done during 12 months on oak casks (45 hl) for 75 % and in tanks for 25%.

It's bottled at the Domaine.

VARIETALS

Grenache noir 65%, Mourvèdre 15%,

REVIEWS AND AWARDS

15/20

"Tight and extracted with forceful tannins that leave the palate chewy and pinched. Could do with a little more mid-palate fruit. Just a little too severe.
Drink 2024 - 2028"

James Lawther MW, Jancis Robinson, 08/10/2021

92/100

"Smoke, spice, flowers, coffee bean, and cherries are in the nose, and on the fresh, vibrant, fruit-filled, spicy palate. The wine was made by blending Grenache, Syrah, Mourvedre, and Cinsault. Give it a year or two in the cellar as there is potential for aging here."

Jeff LEVE, The Wine Cellar Insider, 08/07/2022

90/100

"Exotic notes of baking spices, charcuterie, leather and both red and black fruits emerge from the 2020 Châteauneuf du Pape, a mouth-filling, round, textured, balanced 2020. Drink this character-filled, outstanding Châteauneuf du Pape any time over the coming 10-12 years."

Jeb DUNNUCK, Jeb Dunnuck, 03/11/2022

89/100

"Kompleks duft, hvor flere elementer spiller ind fra start. Vinen udvikler sig flot i munden og arbejder i flere lag. Intens, men levende. Dyb og stadig frisk og ren. Dejlig vin.
Parfum complexe, où plusieurs éléments entrent en jeu dès le départ. Le vin se développe magnifiquement en bouche et travaille dans plusieurs couches. Intense, mais vivant. Profond et toujours frais et propre. Bon vin."

Thomas TYDBERG, DA VIN GUIDE, 16/12/2022

95/100

"Almond and violet notes over a core of plum fruits. This is not hugely concentrated, but there's great energy, with fresh, cleansing tannins. Well balanced, with good length and a real sense of drinkability and energy. Savoury, with fine, furry tannins. A Châteauneuf you really want to drink, but it will age well too. Really elegant. Produced with part-destemmed fruit. No new oak used."

Matt Walls - December 2024, Decanter
