2020: a round and balanced vintage

LOCATION

The Domaine is situated in the area of the CHATEAUNEUF DU PAPE Appellation.

TERROIR

The terroir is clayey-chalky with large rounded sun-warmed stones, which diffuse a gentle, providential heat that helps the grapes to mature.

IN THE VINEYARD

For 40 years, we cultivate the vineyard with agriculture in an environmental friendly way.

The yield is low : 35 hl/ha.

The grapes are harvested by hand with a selection of the best grapes.

WINEMAKING

The grapes are partial destemmed, slightly crushed and placed in a fermentation concrete tank. Long vatting time at controlled temperature from 25 days, with pumping-over to obtain a reasoned extraction of tannins.

AGEING

Maturing is done during 12 months on oak casks (45 hl) for 75 % and in tanks for 25%.
It's bottled at the Domaine.

REVIEWS AND AWARDS

93/100

"Distinctly spicy berry fruits. Savoury but generous, deep and complex already. The acidity is deep set, well balanced, tannins quite dry and serious, grippy. A fairly powerful wine for the vintage that will take a few years to show its best. Likely to offer good value. Partly destemmed, fermented in concrete, aged in foudres and stainless steel."

JEB DUNNUCK

92/100

"The 2021 Châteauneuf du Pape has a classic, old school vibe in its darker cherry and berry fruits as well as peppery herbs, garrigue and leathery aromas and flavors. With medium-bodied richness on the palate, it brings solid structure and tannic grip, yet the balance is solid, it has good freshness, and a great finish."

"Minty, earthy, red fruits and garrigue fill the nose. The wine is medium-bodied, round, sweet, mildly spicy and fruity on the palate with an elegant wave of sweet, ripe, red fruits in the finish."

Jeff LEVE, The Wine Cellar Insider

91+/100

"Saint Siffrein's 2021 Châteauneuf du Pape is rather light in hue, but it boasts attractive black cherry compote aromas, plus hints of cedar and vanilla. Mainly matured in foudres, this blend of 70% Grenache, 15% Syrah, 10% Mourvèdre and 5% Cinsault is full-bodied, expansive and supple, then slightly woody and astringent on the finish. Give it another year or two to settle down." Juin 2023"
